For shops, wholesalers, hardware, bars and restaurants

SHOP SOFT-TECH

Know every sale, every debt and every item on your shelf.

One system for the counter, the store room and the books.

Without Soft-Tech		With Soft-Tech
Money missing from the till at the end of the day	→	Every sale recorded under the cashier: cash, mobile money or credit
Debts written in a book and forgotten	→	A credit list shows who owes what; payments clear the oldest debt first
Stock disappears or runs out unnoticed	→	Stock comes off with each sale, with low-stock alerts and profit per item
Orders lost between the waiter and the kitchen	→	Table tabs and kitchen tickets; the bill settled in one tap

Everything in one system

- Fast till with barcode scanning
- Credit customers and debts
- Low-stock and reorder alerts
- Retail and wholesale prices
- Bar and restaurant tables
- Profit on every item
- Sell by piece, kilo or crate
- Kitchen tickets
- Daily takings by cashier
